

## Wash Oak School Guidelines

The Northville Historical Society would like to remind you that this is a historical building and that many hours of volunteer labor and money have gone into restoring these buildings and grounds. The Society deems it a privilege to make this school available to students and teachers, and we trust that you will respect the historical value of the premises during your visit.

Although suggestions are in the Curriculum Guide at the Northville Library, you will conduct your day according to the plans you make. Available are McGuffey Readers, Noah Webster Spellers, slates, slate pencils, pinafores and vests. A Society representative will be here to greet you and take you on a tour of the Village.

**A MAXIMUM OF 32 STUDENTS** can be accommodated. At least one adult is required to assist the teacher for the entire day. The cost of \$ 3.00 per person is to be paid on arrival (subtract the \$ 30 deposit, no admission is charged for the teacher and three adults). Checks should be payable to the Northville Historical Society. No coins please.

Adults are welcome as assistants to you that day -- these helpers should remain with the students while you check in upon arrival.

Use only the front door of the school. The rear door is an emergency exit only.

The Church will be open for the use of restrooms, access to a phone and refrigerator, and obtaining water -- it is NOT a play area -- an adult must be present with the students.

No decorations or displays of any kind will be attached to any building or tree -- either interior or exterior. No open flame devices are allowed -- either inside or on the grounds.

Any personal property brought into the premises shall be at the sole risk of the user; the Northville Historical Society shall not be liable for any loss/damage to any property for any reason.

The Society expects the classes to be conducted in an orderly manner, in full compliance with all applicable laws, regulations and rules. The teacher assumes full responsibility for the conduct of all persons and for any damage to any part of the building during the school day. If you find something defective, or if any items are broken during your stay, please report it to the Docent.

Have students pick up all paper both inside and outside and clean out their desks at the end of the day. Please sweep the floor, the broom is located inside the door. Cloths are in the desks to clean the slates. Trash should be taken to the dumpster (behind Cady Inn).

A Certificate of Attendance and pencil for each student will be available the day of your visit. The certificate should be filled out by you.

Buses or other vehicles are to unload and park in the lot only; no vehicles are allowed within the village. Please try to adhere to the arrival and departure times that you indicate.

You are renting the School only and it is located in a public park. The grounds will be open to the public at that time.
